Unforgettable Experience

With FUN Baking, let our chefs draw out laughter and spontaneous candid moments from each participant, and capture these rare moments with photo opportunities and make lasting memories.

Take back a unique and immersive experience privy to you and your team only. This experience will bring you all closer than ever before!

Food is the source of happiness

Savour your personal culinary creations as each participant will be able to bring back their own bakes!

Hands on Baking with Professional guidance

Our professional & friendly chefs provide personal guidance to each participant. Learn a skill while having FUN while overcoming challenges as a team!

Fun for all

An adventure at BELLS is suitable for all ages, demographic groups. No baking experience is required at all! Everyone gets to enjoy the event together!

Team bonding

Form deeper connections and lasting friendships when you expose your team to new experiences outside of the office!

Communication and Teamwork

Some say the kitchen is like a warzone! Participants will take on different roles & communicate effectively to ensure they work in unity to complete a common goal, baking delicious food!

What Our Participants say

You have our full assurance that we will make your event an success

The activities were fun and engaging, The chef was professional and patient in guiding the activity

- JOANNE

The team building activity was well-delivered as the chef was clear and patient. The theme of the event was also interesting and made the entire experience more memorable.

- XIN YUN

My first lesson in baking and I enjoy it very much! I learned a lot of techniques on how to make nice bread!

- LIM AI LENG

I really enjoyed & had fun in class. Chefs Michael, Laure and Ee ling were so nice. Thank you everyone

- CHIA AI WEI

The event was great, studio is really nice and chef was very engaging, and really got the group to laugh non stop throughout! It was an amazing experience and the team had captured so much great pictures to share, and not to mentioned, good food!

- NGO PEI JING JESSLY

I am able to learn a lot of skills from the much enjoy session by Chef Kenny. Their teaching style allow me to grasp the concepts easily, and their teaching is very concise and direct!

- NG HUI PING
